ABOUT MONTBELLO ORGANIZING COMMITTEE

COMING SOON! FRESHLO MARKET COMMUNITY GROCERY STORE

Exciting progress is underway on the Montbello Fresh Food Market, a locally owned nonprofit store that will offer affordable, healthy, fresh, and culturally appropriate food items for Montbello residents. Located at 4660 Peoria Blvd., the Fresh Food Market will be one of three Fresh Food Markets to open across Denver by summer 2026. Having access to healthy, fresh, affordable food has been identified as one of Montbello's top priorities according to input received from the community over the past eight years.

Construction is moving forward on the planned grocery store site with demolition and HVAC work in progress. The Montbello Fresh Food Market will be the first centrally located grocery store in Montbello since Safeway closed in 2015. Some of the food will be sourced right here in the community, including produce from an operating hydroponic growing facility, the Montbello Urban Farm, and other local community gardens. The store will also have a significant economic impact with a commitment to hiring residents and paying them a livable wage, including employee benefits.

Stay tuned to Montbello Organizing Committee's social media pages (MontbelloOrg) for updates on the Montbello Fresh Food Market.

THE FRESHLO HUB

The FreshLo Hub Residences includes a six-story affordable housing building with 97 units: 49 one-bedroom, 33 two-bedroom, and 15 three-bedroom. Additionally, there are nine ADA-compliant units, with five mobility-compliant and four hearing & visually compliant. All units include outside balconies and stackable washers and dryers.

Residents enjoy multiple amenities, including a fitness area, multipurpose rooms, a standard room, a storage area, and an amenity deck featuring outdoor grills, a fireplace, seating areas, garden beds, and a playground.

The FreshLo Hub is the only affordable housing development in Montbello that provides multi-bedroom units suitable for families earning 30, 40, 60, and 70 percent of the area median income (AMI)

THE BUSINESS ACCELERATOR

- The Montbello Organizing Committee invites residents to see how they can help shape local business opportunities, fight gentrification, and build generational wealth. The FreshLo Hub offers space for local retailers, nonprofits, and entrepreneurs to grow and test new ideas.
- About 2,500 sq feet of retail space will be available next to the Montbello Fresh Food Market. A portion of this space will be reserved specifically for local Montbello business owners, especially female-identifying entrepreneurs and those from minority backgrounds, to promote local regional economic growth.
